WELCOME!

NUCA Greater Kansas City Region is delighted to welcome you to the 12th Annual Greater Kansas City FY25 Capital Improvement Projects Rollout.

The Kansas City Metropolitan area is in an era of remarkable achievement and excitement! The Kansas City Chiefs have added another Super Bowl title to their legacy, while the KCI Airport terminal boasts a complete makeover. Tech titans Google and META have chosen our area for their new data centers, and it's full steam ahead on Panasonic's pioneering \$4 billion EV battery plant. Excitement was everywhere last spring when KC did a spectacular job of hosting its first NFL Draft at Union Station, and we were at the forefront of creating the world's first women's professional sports stadium. Moreover, the KC Streetcar enjoys an expansion through the Main Street and Riverfront Extensions, complemented by the rise of the South Loop Project and the distinct possibility of a new downtown baseball stadium. And, with immense pride, we are gearing up to welcome the FIFA 2026 World Cup to our city.

Our community's vibrancy is palpable, driven by these significant projects and events that amplify the need for further infrastructure development — developments we are eager to present in our Rollout Guide.

We are actively engaging at the national level to secure funding and support for these vital infrastructure investments. We are also committed to enhancing our local communities by providing the necessary workforce, knowledge, and expertise to develop the essential infrastructure we all rely on every day. In addition, our efforts to improve community engagement include hosting member events and fundraising activities to offer scholarships to local students and support for area schools, universities and charities.

Mark your calendars for our upcoming events:

- **May 22-24, 2024:** NUCA National Washington Summit, Washington, D.C.
- **June 17-23, 2024:** National Trench Safety Stand Down Week
- **July 26:** NUCA Greater Kansas City Region Golf Tournament, Sykes/Lady Overland Park Golf Club, Overland Park, KS
- **Returning Fall 2024:** Dozer Day

We are honored to showcase these exciting upcoming infrastructure projects that our local municipality partners are providing updates on, and we thank them for their invaluable support and involvement.

Let's continue to make Greater Kansas City a place that we can all be proud of and the envy of the Midwest!

Sincerely,

Danny Anderson
President, NUCA Greater Kansas City Region

KANSAS CITY, MISSOURI

KC WATER

WASTEWATER CMAR PROJECTS

■ Structural Stabilization of the Westside Annex

- Project Manager — John Reddy
- Estimated Contract Value — \$1,000,000
- RFP/Bid Date — May 2024

WASTEWATER DESIGN BUILD PROJECTS

■ Blue River WWTP Grit Removal and Fine Screens

- Project Manager — Kevin White
- Estimated Contract Value — \$50,000,000 (2024); \$50,000,000 (2025)
- RFP/Bid Date — November 2024

■ Hand Rail and Other Safety Improvements at Wastewater Facilities

- Project Manager — Bon Marie Gardner
- Estimated Contract Value — \$3,000,000
- RFP/Bid Date — August 2024

■ Wastewater Facilities HVAC Wastewater Rehabilitation

- Project Manager — Debra Smith
- Estimated Contract Value — \$5,000,000
- RFP/Bid Date — September 2024

■ Westside WWTP Sludge Screening

- Project Manager — Morris Ross
- Estimated Contract Value — \$9,500,000
- RFP/Bid Date — June 2024

Capital Improvement Projects Rollout

WASTEWATER DESIGN PROJECTS

■ 87th St. Pump Station Screen Evaluation

- Project Manager — John Reddy
- Estimated Contract Value — \$275,000
- RFP/Bid Date — August 2024

■ Ammonia Sensitivity Mussel Study

- Project Manager — Kevin White
- Estimated Contract Value — \$750,000
- RFP/Bid Date — March 2025

■ Plattewoods Pump Station Rehabilitation

- Project Manager — John Reddy
- Estimated Contract Value — \$500,000
- RFP/Bid Date — March 2025

■ Westside WWTP Headworks

- Project Manager — Blake Anderson
- Estimated Contract Value — \$5,000,000
- RFP/Bid Date — November 2024

WASTEWATER CONSTRUCTION PROJECTS

■ 39th St. & Blue Ridge Cut-Off Sanitary Sewer Extension

- Project Manager — Paul South
- Estimated Contract Value — \$1,854,000
- RFP/Bid Date — October 2024

■ 55th St. & Bennington Ave. Sewer Assessment

- Project Manager — Paul South
- Estimated Contract Value — \$1,000,000
- RFP/Bid Date — December 2024

■ Citywide Sewer Main Rehabilitation (ASR)

- Project Manager — Paul South
- Estimated Contract Value — \$8,000,000
- RFP/Bid Date — December 2024

■ OK Creek Gates Bending Weir

- Project Manager — Willie Williams
- Estimated Contract Value — \$3,500,000
- RFP/Bid Date — July 2024

■ Todd Creek WWTP Expansion and Major Upgrade

- Project Manager — Shawn Cross
- Estimated Contract Value — \$110,000,000
- RFP/Bid Date — February 2025

■ Weatherby Lake/Upper Rush Pump Station Upgrade

- Project Manager — John Reddy
- Estimated Contract Value — \$9,000,000
- RFP/Bid Date — November 2024

WATER DESIGN BUILD PROJECT

■ Water Treatment Plant Service Piping Replacement

- Project Manager — Isaac Garlington
- Estimated Contract Value — \$1,700,000
- RFP/Bid Date — October 2024

Capital Improvement Projects Rollout

WATER DESIGN PROJECTS

■ SCADA Control Room Renovation and Operations Relocation

- Project Manager — Debra Smith
- Estimated Contract Value — \$250,000
- RFP/Bid Date — July 2024

■ Turkey Creek Pump Station Rehabilitation

- Project Manager — David Elge
- Estimated Contract Value — \$1,500,000
- RFP/Bid Date — June 2024

■ Water Main Replacements

- Project Managers — Multiple
- Estimated Contract Value — \$8,800,000
- RFP/Bid Date — October 2024

■ Water Pump Station BIM Modeling

- Project Manager — Blake Anderson
- Estimated Contract Value — \$200,000
- RFP/Bid Date — March 2024

WATER CONSTRUCTION PROJECTS

■ ADA Compliance Improvements

- Project Manager — Bon Marie Gardner
- Estimated Contract Value — \$700,000
- RFP/Bid Date — July 2024

■ Hardesty Ave. & 63rd St. — 36-inch Transmission Replacement

- Project Manager — Terry Thomas
- Estimated Contract Value — \$2,500,000
- RFP/Bid Date — September 2024

■ Lead and Copper Rule Program

- Project Manager — Bon Marie Gardner
- Estimated Contract Value — \$5,000,000
- RFP/Bid Date — December 2024

■ NE Shoal Creek Pkwy. from NE 76th St. to Missouri Hwy 152 Transmission Main

- Project Manager — Reza Zonnooz
- Estimated Contract Value — \$10,600,000
- RFP/Bid Date — January 2025

■ Vertical Wells 1-5 Replacement

- Project Manager — Kevin White
- Estimated Contract Value — \$8,500,000
- RFP/Bid Date — September 2024

■ Water Main Replacement (Front St., Chouteau Trfy. to Universal Ave.)

- Project Manager — Jerry Stevens
- Estimated Contract Value — \$1,750,000
- RFP/Bid Date — August 2024

■ Water Main Replacements

- Project Managers — Multiple
- Estimated Contract Value — \$64,400,000
- RFP/Bid Date — Multiple

NUCA of Greater Kansas City Region is the only regional association devoted solely to utility contractors and associated industry companies. We represent local utility and excavation contractors and suppliers who build and maintain the complex network of water, wastewater, energy, and communications infrastructure.

NUCA of Greater Kansas City Region is a strong community of **construction and associate companies**. We are the businesses representing the **best** of local utility and excavation contractors and suppliers who are **committed to safety and education**. Our members provide the manpower and equipment needed to build, repair, and maintain the infrastructure needed for water and wastewater infrastructure, gas distribution, broadband, electric, as well as the nation's surface transportation system.

Together we build relationships, **create** unique business opportunities, stay up-to-date on the latest industry news, and participate in shaping industry-related legislation. We **engage** in live safety and training events and lend our voices at the local, state, and national level.
